

From Pastor

Dear Present and Future Passage Leaders:

It is with great joy that we share with you an amazing vision God gave me nearly 30 years ago. The vision to create a ministry with the sole purpose of pouring Jesus into our youth in every aspect of their pre-teen development until they complete high school. I am grateful for your faithfulness and cooperation as leaders of the Passage Ministry.

God continues to bless us in so many ways, and I do not take that for granted and neither should you. I appreciate you, the leaders, for your willingness and commitment to pray, study, teach, promote, participate and support the fulfillment of my vision for the Passage Ministry.

God is using us individually and collectively for His glory and our good! My prayer is that we would become intentional about seeing and experiencing transformation in our individual lives and in the life of the Union Chapel Church Family collectively! This is exciting for us, and may God richly bless and keep you is my prayer.

Your Servant Leader,

Pastor O. Wendell Davis

What is Passage?

The Passage is the fulfillment of an amazing vision God gave Pastor Davis to challenge, mold and prepare youth for young adulthood. In the vision, Pastor saw Union Chapel youth (referred to in the Ministry as candidates) and their parents or guardians committing to a journey through the Passage each year for up to five consecutive years. The journey is filled with fun-learning activities, educational opportunities, and exposure to our city, state and country through discipline and a spiritually enriched curriculum.

Why become a Passage Leader?

One Sunday morning in 2006, Pastor Davis shared his vision from the pulpit to an awaiting congregation. The vision touched the heart of laborers who are committed and dedicated to working with our youth. Through sacrifice and prayer, Pastor created gender specific and age-appropriate handbooks that are broken down by modules. If you are called and led by the Holy Spirit to work with our youth in the Passage Ministry, prayerfully accept the calling and begin working in this amazing ministry.

How to become a Passage Leader?

Through guidance by the Holy Spirit, you can become a Passage leader (instructor, worker or coordinator). Once you are burdened to work with the Passage youth, pray to the Lord for direction and guidance. He will tell you exactly where He wants you to work. Then contact one of the Passage coordinators.
